

Dear Equestrians:

The California Professional Horsemen's Association Foundation is a benevolent organization that works on behalf of the California Professional (trainers, grooms, riders, and instructors). **The Foundation** is dedicated to aiding professionals in times of need, providing higher education opportunities through scholarships and grants, educating good principles of horsemanship and fostering amateur equestrian sports and sportsmanship.

The CPHA Foundation is a 501-C (3) non-profit organization. The Foundation counts on the generous support of the equestrian and non equestrian community to participate and sponsor at the fund raising events.

Enclosed in the package is a sponsor form for each event. Please join us in helping our equestrian friends by contributing in one or more of these events.

I would like to personally thank all the annual supporters of the CPHA Foundation and hope you will be with us again in 2008.

PICKWICK BOWL – BURBANK, CA**

I would like to participate in the Bowling for the Foundation event:

- I would like to bowl on a team \$100 per bowler
 I would like to sponsor a team \$500 for a team of 5 bowlers

Bowling includes use of house shoes, bowling ball and plenty of food, beverage and fun. This event coincides with the Memorial Day Classic Horse Show and is held conveniently at Pickwick Bowl.

I can not attend, however, I would like to pledge a players pin count for the two games at \$_____ per pin. Notification of the number of pins for your selected bowler or the Foundation Designated Bowler will be forwarded to you following the event.

Example: Bowler rolls a 150 pin count game and 175 pin count game at \$.050 per pin. This would equal a pledge of $150 + 175 = 325 \times \$0.50 = \162.50

- Enclosed is my bowler/team payment
 Please contact me for my payment by credit card

The last fund raiser, Foundation Silent Auction, is actually held at the beginning of the year during the PCHA Convention. Our auction had an overwhelming response of donations and plentiful kind purchasers. This was the second year the auction was held at the PCHA Convention and we look forward to another successful auction in January 2009.
