AHC's 2007 National Issues Forum Moving to June

Mark your calendars for June 2007! At its meeting in April, the Board of Trustees voted to move the American Horse Council's National Issues Forum from April to June in 2007. This meeting was held in June for many years and the Board felt moving it back to June would eliminate many of the industry conflicts in April that prevent some from attending.

The meeting is scheduled for June 17 through 19, 2007 at the L'Enfant Plaza Hotel here in Washington. The tentative schedule calls for advisory committee meetings on Monday, June 18th, with the National Issues Forum, Awards Luncheon and Congressional Reception to be held on Tuesday, June 19th, and Congressional Visits on Wednesday the 20th.

We will publish additional information as meeting plans are finalized.
